Amani Saeed AL-Malki

Digital Learning Programs & Solutions Designer

Taif, KSA | +966538496330 | iamaninet@gmail.com | Portfolio

About Me:

Digital Learning Programs & Solutions Designer with a background in IT and Education, focused on designing digital learning programs and learner-centered experiences that connect educational needs with technology. Skilled in instructional design, AI-driven learning solutions, digital learning technologies, and impact measurement, with a focus on creating engaging, scalable, and measurable learning solutions.

Professional Experience:

- **Digital skills Instructor,** Ministry of Education — Aug 2024 - Present

  - Developed interactive, AI-driven digital modules in programming and IT, transforming technical curricula into high-impact learning experiences.

  - Integrated advanced e-learning tools and LMS platforms to enhance student engagement and facilitate technology-based instruction.

  - Implemented digital assessments and hands-on projects to monitor progress and support data-informed teaching practices.

- **Naqa Founder,** Digital Awareness Initiative — July 2025 - Present

  - Founded and designed “Naqa”, a digital initiative promoting awareness of electronic waste and responsible device disposal.

  - Produced and shared digital awareness content through social media to promote responsible technology use.

- **Laptop Amani Founder,** Taif, KSA — Sep 2017 - Present

  - Delivered technical support and maintenance services to +160 clients, reducing technical issues by 99 % and improving device performance and usability.

  - Developed and published 100 + digital content pieces on technology awareness, increasing audience engagement and improving users’ digital proficiency.

  - Produced 250 + multimedia learning assets (presentations, infographics, motion graphics), leading to 95 % increase in content engagement and improved comprehension of complex topics.

- **Computer Trainer,** Arab Studies Institute Women's of Training — Jun 2015 - Aug 2017

  - Facilitated comprehensive digital literacy training, covering MS Office and hardware/software troubleshooting to enhance workplace productivity.

  - Developed digital training materials and facilitated practical workshops using interactive learning activities and multimedia tools.

  - Designed learner-centered training plans tailored to participants’ skill levels to improve engagement and learning outcomes.

- **Computer Trainer,** Silver Matrix Higher Institute for Training — Aug 2013 - Jan 2014

  - Managed registration data for 500–900 trainees per month with 99% accuracy, driving an increase in completion rates from 70% to 90% through optimized registration workflows and follow-up processes.

  - Facilitated comprehensive digital literacy training, covering MS Office and hardware/software troubleshooting to enhance workplace productivity.

Projects:

1. **"The Last Device Journey" | Digital E-Waste Awareness Program / View Project .**

- Role: Founder, Instructional Designer, Program Design and Management, Learning Evaluation.

- Tools & Tech: Articulate Storyline, API & Data Integration, Cloudflare Pages, AI Integration.

- Description:

- Designed and developed a digital awareness program addressing electronic waste and promoting safe and sustainable e-waste practices.
- Conducted needs analysis and designed the program structure, learning journey, curriculum map, activities, and assessments.
- Developed an interactive learning experience using Articulate Storyline, multimedia, gamification, and AI-supported learning elements.
- Launched the program with actual learners and implemented pre/post assessments and learner satisfaction measures to evaluate learning impact.
- Analyzed learner data to identify improvement opportunities and inform future program development.

Skills:

- Digital Learning & Program Design

Learning Experience Design | Instructional Design | Educational Program Design | Program Management | Learning Impact & Evaluation | Rapid eLearning Development

- Technology & Tools

LMS Administration | Advanced Excel for Learning Analytics | AI Integration | API Integration | Workflow Automation | eLearning Authoring Tools (Articulate Storyline, Rise360,PowerPoint)

- Professional Skills

Innovation and Problem-Solving | Agile Project Collaboration | Design Thinking | Learning Impact Evaluation.

Professional Certification:

- **Professional Certificate in e-Learning Experience Design (eLXD)** — Jan 2026
  National eLearning Center
- **Professional Certificate in Online Teaching/Training (OTT)** — Nov 2025
  National eLearning Center
- **Introduction to KPIs: Measuring Success in Business** — Mar 2026
  Coursera
- **Agile Project Management** — Mar 2026
  Google
- **Design Thinking** — Dec 2025
  Coursera
- **Generative AI as a Learning Design Partner** — Feb 2026
  University of Michigan
- **TOT - Training of Trainers** — Dec 2015
  TVTC

Education:

- **Higher Diploma Educational,** Taif University — Dec 2018
- **Bachelor of Information Technology,** Taif University — July 2013

Volunteering:

- **Assistant Trainer,** Taif Science Center Feb 2017 - Apr 2017

  - Facilitated hands-on STEM learning experiences for **+300 learners**, improving students problem-solving and critical thinking skills.
